

Announcement

Master of Science Program in Food Science for Nutrition (International Program)

Subject: Thesis Research Theme

The Administrative Program Committee of the Master of Science Program in Food Science for Nutrition (International Program) has established a policy to ensure that the area of thesis research of the graduate students in the Program be consistent with its research theme.

In this regard, a graduate student who would like to take a thesis proposal examination must fill out the Thesis Research Theme form, have the form approved by the respective Thesis Proposal Advisor, and submit to the Academic Affairs Unit, Institute of Nutrition, together with the Form GR.39 ORAL THESIS PROPOSAL DEFENCE AND COMMITTEE. The Administrative Program Committee shall consider the proposed research theme for approval and assign one of its members to attend the thesis proposal examination. Prior to the specified examination date, the graduate student must submit one copy of his/her thesis proposal to the assigned member of the Administrative Program Committee. Comments and suggestions regarding the area and/or scope of thesis research, if any, addressed during the examination by the assigned member of the Administrative Program Committee must be responded accordingly.

This announcement applies to all graduate students in the Program from its announcement date.

Announced on the 4th of January B.E. 2561 (A.D. 2018).
