

Announcement

Master of Science Program in Food Science for Nutrition (International Program)

Subject: Thesis Research Support for Scholarship Recipients

The Administrative Program Committee of the Master of Science Program in Food Science for Nutrition (International Program) has established a policy to enhance the academic potential and to support the thesis research of the graduate students in the Program in order to achieve international quality and standard. In this regard the Program shall provide the students who received a full scholarship with thesis research support from the fund belonging to the Program to cover the actual expenses incurred, but not exceeding 50% of the total research supplies fee paid during the entire study period.

Graduate students who would like to apply for the thesis research support must fill out an application form and submit to the Educational and Research Supporting Office, Institute of Nutrition with the approval of the respective Thesis Advisor. Any expenses under this announcement shall be paid in full by the fund of the Program in accordance with the Regulation of Mahidol University regarding Budget and Financial Administration B.E. 2551.

Announced on the 5th of November B.E. 2558.

Assistant Professor Sitima Jittinandana
Chair, the Administrative Program Committee
Food Science for Nutrition (International Program)
